The Highest education is that which does not merely give us information but makes our life in harmony with all existence.

– Rabindranath Tagore

OUR GUIDING VALUES RIGHT KNOWLEDGE

Vision

To be recognized as a premier institution of excellence providing quality education, research and consultancy services in rural areas and enabling them to find themselves a life of dignity & prosperity

Mission

“Our endeavor is to impart knowledge and develop critical skills necessary to succeed both in professional and personal life by promoting learning supported by well experienced faculty, infrastructure, technology, curricula and collaborative teaching and research with premier institutions in India.”

Focus:

In our quest to make the institute a destination for world-class education, following priority areas have been identified for action:

Teaching and Learning:

Create conducive environment for an interactive and application oriented experiential learning

Research:

Foster research orientation in students and faculty in basic and applied areas in all disciplines

Consultancy Services:

Take academic proficiency to corporate and community by providing cost effective solutions

Sh. Tej Pal Singh
Director

Message *from* Director

With an objective to provide quality education, we resolved to establish a repository of knowledge and diverse activities of human interest encompassing academics, art & culture, sports and community services that are vital to academic, physical and mental development of the students of new age. Knowledge acquired in an inspiring environment through considerably designed academic programmes help to augment the inherent talent of the learner and sharpen the skill set enabling them to acquire a meaningful place in society, leading to a cheerful personal and professional life.

Students from all the corners of the country as well as from overseas experience a stimulating environment that is conducive forever one to excel. The green and secure campus further adds to their creditable learning experience.

We call upon all the aspirants to avail the opportunities provided by this institute in building their career and to serve the society.

Mr. Devendra
Manager

Message *from* Manager

Education is among the oldest and the most vital parts of human praxis. What carries us through our life is our ability to learn, to grow, to change and evolve possibilities for ourselves. With this thought we endeavor to develop individuality with quality education. An education which prepares children not just for careers, but for life. Transfer of knowledge can never be the purpose of education, the purpose is to guide the learning process and to put responsibility for developing competencies and attitudes amongst children.

Under the aegis of the illustrious Sarvodaya Hospital and Institute of Medical Science, the institution is governed by the 'Tatiri Sarvodaya Siksha Prasara Samiti.'

I believe that each child is heir of the past, children of the present and makers of the future.

Manager
Mr. Devendra

Life at SHIMS

A Place to Live,
A Place to Grow...

On-Campus Facilities

SARVODAYA HOSPITAL & INSTITUTE OF MEDICAL SCIENCES is a new generation, multi-disciplinary Institute that boasts of its world-class infrastructure. The campus has the uniqueness of many state-of-the-art buildings, sprawling lawns, well maintained playgrounds along with supporting facilities. It has been planned, designed and constructed to address broader issues that relate to resource and energy conservation.

HOSTELS & FACULTY ACCOMMODATION

We call our hostels home for students. The hostels at Shims are a home away from home. The onus of developing the student academically, strengthening their culture, taking care of their physical fitness, all lie on this vital micro structure of the Institute. Life in Sarvodaya hostel is a stepping stone to further independence, an essential right for many, enabling them to reach out to their destiny. The Institute houses Two hostels in its campus- one for boys and one for girls with a capacity to accommodate 100 students.

The hostel rooms are spacious, clean, and well maintained the rooms are available on sharing basis. To help the young minds focus on their studies, each room is furnished with beds, Wardrobes, study tables, chairs and air-cooler. Solar heaters have been installed in all the hostels to supply hot water conserving electricity. Water purifiers and water coolers are installed to provide potable water. Round the clock power back-up helps students to study without interruption. Each hostel has a visitor's room, a spacious well lit common room with a large screen television and comfortable seating arrangement, recreational facilities, equipments for indoor games, newspapers and magazines, Wi-Fi connectivity and a gymnasium. Laundry facility is available in-house with commercial washing machine and tumbler drier. Spacious dining rooms and modern kitchens ensure that students are served with nutritious food in a good ambiance.

A dedicated team of wardens and caretakers helps and resolve the problems of the boarders. Students are advised to comply with rules and regulations of the University hostels.

SARVODAYA HOSPITAL

Sarvodaya Hospital has widely expanded various clinical departments with a provision of super specialty care with growing spectrum of disease and increasing demand of such facilities.

Hospital has a bed strength of 100 and houses the various clinical and para-clinical departments like Medicine, Dermatology, Pulmonary Medicine, Paediatrics, General Surgery, Eye, ENT, Orthopedics, Gynae & Obs, Radiology and Anaesthesia. Central lab for Pathology, Microbiology and Bio-Chemistry. The diagnostic facilities like, Spiral CT and Color Doppler are also available in the hospital.

The emergency wing is well equipped with modern facilities to provide the emergency and trauma care services round the clock on all the days. There are 5 beds in Triage area and 35 beds in emergency ward. One emergency OT and one minor OT is located in emergency wing. The services include accident, trauma, medical and surgical emergencies, paediatrics and gynaecological emergencies.

Medical Facility to the students:

All the bonafide students of various programmes at the university are provided with the below complimentary medical facilities at Sarvodaya hospital as per the policy:

Outdoor Patient Department (OPD) facilities: Free registration and free tests (blood, stool, urine, ECG, ultrasound etc). All super specialty checkups and tests including CT scan are available on 20% discount.

Inpatient Department (IPD) facilities: Students can avail the treatment facility of maximum upto Rs 50,000/- at Sarvodaya hospital during the entire period of the programme that they are enrolled in at the institute. All the bonafide students will also have the coverage of Rs 1 lac in case of accidental death while they are studying at the institute.

Highlights

- Hygienic Mess serving quality food
- Spacious dining halls
- Wi-Fi enabled campus with broadband connectivity in all hostel rooms.
- Indoor sports facilities (Badminton court, etc)
- Spacious lawns
- Gymnasium
- Daily needs' store
- Study room
- Recreation room (with subscription to major daily national newspapers and magazines, indoor games and Coffee house.
- 24 hrs. Uninterrupted power and Reverse Osmosis (RO)
- water supply in hostels.

● Canteens & Restaurants

Nice and cosy restaurants and well maintained canteens in the campus provide students, staff and visitors a variety of Indian, Continental and Asian cuisine.

Transport Facility

The Institute, maintains buses and cars to facilitate travel by students and faculty in a radius of up to 60 km. The Institute also maintains ambulances for medical emergencies. In addition, assorted utility vehicles are at the disposal of departments across the campus.

Sports at SHIMS

At SHIMS, sports activities are an essential part of the learning philosophy. Students have access to the state-of-the-art sports facilities at the campus and healthy competition is encouraged in a variety of games at all levels.

Sports Infrastructure of the SHIMS

The Institute provides a combination of outdoor and indoor opportunities including facilities for cricket, football, basketball, volleyball etc. to the sports enthusiasts.

Outdoor Sports Facilities

The SHIMS has a Big Outdoor Ground

Fee Structure & Admission Criteria

Refund of Fee

No refund of fee is permitted on account of withdrawal or absence from the college or other reasons once a student is admitted to a programme of study, Registration fee is non-refundable and is only adjusted in the programme fee, if student is admitted.
